S. Admin Panel

1. Customers will be provided with an Admin panel to manage all the contents.

A login form for the Admin Panel. It features a light blue header with the text "Hello! Welcome Back" and "Sign in to continue." Below this are two input fields: "Username" and "Password". A prominent blue "LOGIN" button is centered below the fields. At the bottom, there is a checkbox labeled "Keep me signed in" and a link "Forgot password?".

2. Authorized users can manage the content in the website.
3. Admin panel will have its own authentication and authorization panel.
4. For each section a management will be provided where authorized users will be able to use following features:
 - a. View all records.
 - b. Add a new record.
 - c. Edit a record.
 - d. Delete record.
 - e. Change status of record from active to inactive.
 - f. Filter the available records with a simple filter option.
 - g. Manage SEO detail and sharing option detail in social media.
 - h. Manage your own media manager.

A screenshot of the "Blogs" management interface. It includes a search bar at the top left and an "Add New" button at the top right. Below is a table with columns: Title, Category, Sub Category, Sequence, Status, and Actions. Two records are shown: "Test Blog 3" and "Test Blog 2". Each record has a status indicator (green checkmark) and action buttons (edit and delete). At the bottom, it says "Showing 1 to 2 of 2 entries" and has "Previous" and "Next" navigation links.

Title	Category	Sub Category	Sequence	Status	Actions
Test Blog 3	Test Category		3	✓	Edit Delete
Test Blog 2	Test Category	Test Sub category	2	✓	Edit Delete
